

Helping You GROW

Disability Insurance: for anyone who works

If you can't work due to illness or injury, the paychecks stop, but the everyday expenses don't. Each year in May, Kansas City Life Group Benefits teams up with the non-profit Life Happens to bring awareness to Disability Insurance Awareness Month (DIAM).

Disability insurance is protection for an employee's ability to earn a living. Help them get insurance for their income!

Kansas City Life Group Benefits offers both **Short** and **Long Term Disability**:

- A wide range of plan options available
- Online claim filing
- Claim acknowledgement within two days
- Multi-year rate guarantees

Plans may be offered to groups with as few as two employees on both an employer-paid and voluntary basis. Contact your *Group Sales Representative* for a quote today.
